Photographs and children's work

There are times during the year when we like to make a photographic record of activities and display these in the school, or even have them reported in the local newspaper or on the school's official website. These might include school productions and concerts, trips, assemblies, sporting achievements or special events. We also may publish children's work on our website or other publications. If you are happy for this to continue, please sign below:

I agree that my child may be photographed in the normal course of school activities and have no objections to the photographs or children's work appearing in displays and any publications promoting the good name of the school. I understand that this will be at the discretion of the school and the headteacher.

School Visits

I agree to my child being taken out of school on a school visit. I understand that all visits will be appropriately supervised by adults and teachers, and that I am not obliged to make a contribution to the cost of the day visit with children not be excluded through inability to pay.

For residential visits a charge will include as amount for board and lodging and parents in receipt of Income Support, Family Tax Credit, and Income based job seekers allowance or disability working allowance may request remission of this charge in writing, in confidence, to the Headteacher.

All visits can only go ahead if there are sufficient voluntary contributions to cover the cost. Arrangements are available for the payments to be made in instalments

There may also be times when children are taken out of school on educational visits to places such as Milton Keynes Theatre and to visit other schools. Children normally walk to these places.
