

**FISHERMEAD PRIMARY SCHOOL
OPENING SEPTEMBER 2012**

October 2011

Dear Parents and Carers,

I am writing to you on behalf of the temporary Governing Body of the new amalgamated school to inform you of the progress being made.

The new school will operate over two sites as at present with one Headteacher over both schools. It is envisaged that the school will increase in pupil numbers over a period of time and it may be necessary to make alterations to the fabric of both sites, funds permitting.

The temporary Governing Body has been appointed; although there are at present some vacancies. A number of vacancies are for parents so if you would like to be part of the exciting task of setting up the new school please contact either Mrs Good or Mr Bailey.

The temporary Governing Body will be compiling criteria for the appointment of a Headteacher of the new school next week and the position will be advertised shortly afterwards. It is hoped that the new Headteacher will be appointed early in the New Year. Both existing Headteachers will remain in post until the closure of both schools in August 2012. They will be discussing a new name for the school as well as uniform, logo and ethos in due course.

The new temporary Governing Body wishes to bring to the new school the best attributes of both current schools in order that all pupils reach their full potential.

I shall write to you further when further decisions have been made.
