

MEADFURLONG SCHOOL NEWSLETTER NO 247

Milton Keynes Council

NEWSLETTER NO 247

20 June 2010

SUMMER TERM 2010

Dear Parents,

Welcome back to school after our half term break which proved to be very warm and sunny for much of the week; I hope that many of you were able to make the most of the sunshine and had a restful break.

SCHOOL UNIFORM

Our new school uniform is now available and thank you to those parents who have already ordered items for September. If you have not already done so please contact Mrs Lampard at the school to collect an order form so that you have the correct uniform at the start of next year in September.

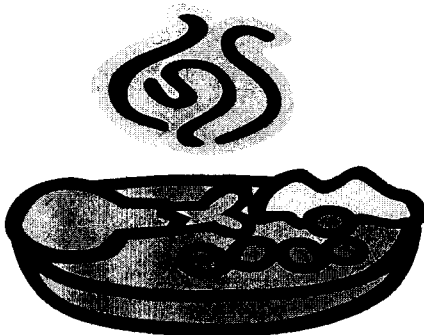

LATENESS

There are still too many children arriving late for school. They must be here by 08.40 a.m ready to come into the school to begin their learning.

SCHOOL MEALS

Please remember that it is essential that the school receives a menu for all school meals or no food is provided. NO menu means no food.

We have received notification that school meals are going up in price from September to £2.09 per meal which is the equivalent of £10.45 per week.

FAMILY SEAL

May I remind the parents of year 3 children that there is the opportunity to get involved in our family seal programme this term with the introductory session taking place on Monday 14th June starting at 2.00pm finishing at 3.10pm.

Family Seal is an opportunity to work with your children and staff at the school on projects that promote positive learning experiences.

If you are interested please contact Miss Trish Marshall at the school for further details.

Deodorant

We understand that some children need to bring a deodorant to school for their personal hygiene, but please could parents ensure that it is a roll-on deodorant and **not** the spray type.

OFSTED INSPECTION

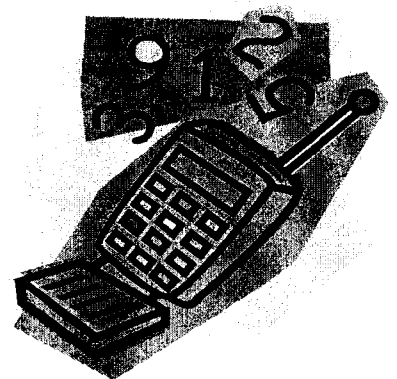

You will recall that you were sent a copy of our OFSTED inspection report just before the half term break which told you that the school was judged as satisfactory overall.

I am very pleased to inform you that following moderation by HMI this judgement has been upgraded to 'good'. The full report can be seen either by googling the school name or by going onto the OFSTED web site (We are in the south east section).

We are obviously very pleased with this upgrade as it truly reflects the efforts of the children and staff at the school.

Mobile Phone

Children are not allowed to have a mobile phone in school. We do understand that some parents may wish to provide their children with a mobile phone so that they can contact them at the end of the school day; in these circumstances please contact Mrs Lynn in the school office who will make arrangements for the phone to be kept safely in the school office for collection at the end of each day.
